

## Meeting with Delegation of the World Bank Doing Business Mission

Press release

29 October 2008

Mr.sci. Salko Obhodjas, Minister of the Federal Ministry of Physical Planning met a delegation of the World Bank Doing Business Mission, helmed by Mierta Capaul.

During this meeting, Doing Business 2008 Report on Business in South East Europe was discussed focusing on issuance of construction permits being one of the report's indicators.

Attendees have been introduced recommendations for reforms in Bosnia and Herzegovina within Doing Business, by Mierta Capaul, project leader.

Mr.sci. Salko Obhodjas has informed the delegation of the various activities undertaken by the Federal Ministry of Physical Planning concerning Amendments and Modifications of the Law on spatial planning and land utilization on federal level in order to accelerate and simplify the procedure of issuance of construction consents.

The meeting concluded that all activities undertaken by the Ministry are in compliance with certain recommendations of the Mission, expressing readiness for mutual cooperation aiming at creation of more prosperous business climate in the Federation of Bosnia and Herzegovina.
